About Blue Economy:

- A United Nations representative defined the **Blue Economy** as an economy that "comprises a range of economic sectors and related policies that together determine whether the use of **ocean resources is sustainable**.
- An **important challenge** of the blue economy is to understand and better manage the many aspects of oceanic sustainability, ranging from sustainable fisheries to ecosystem health to preventing pollution.

About Circular Economy:

- The **circular economy is a model** of production and consumption, which involves sharing, leasing, reusing, repairing, refurbishing and recycling existing materials and products as long as possible.

- In practice, it implies **reducing waste to a minimum**. When a product reaches the end of its life, its materials are kept within the economy wherever possible.

About e-Parihara and e-Gastu:

- e-Parihara**, an online application that helps in processing and sanctioning **ex-gratia claims in cases of man-animal conflicts**; thus, bringing in transparency and efficiency in the processing of claims.
- e-Gastu** an Android based platform **captures forest patrolling/field activities** undertaken by frontline staff of the forest department, which can be visualized by supervisory officers over satellite imageries.

News in Between the Lines

Ayushman Bharat School Health and Wellness Programme

❖ Context

- It has been nearly three years since the **School Health and Wellness Programme** was launched under the Ayushman Bharat scheme, and so far **only 15 of India's States have started** weekly 40-minute classroom sessions with students.

❖ Key Highlights:

- Until December 2022, only 71 of 766 districts have achieved 100% HWA training targets, according to Ministry data.
- Only four States and UTs – Andhra Pradesh, Sikkim, Chandigarh, Dadra and Nagar Haveli – have achieved 100% coverage.

❖ About AB School Health and Wellness Programme:

- The program has been **jointly rolled out by Ministries of Health & Family Welfare and Human Resource Development**.
- Under the programme **teachers act as "Health and Wellness Ambassadors"**.
- They disseminate various key information by organising culturally sensitive activity based sessions for one hour per week for 24 weeks in a year to promote joyful learning.
- This initiative will strengthen the concept of preventive, promotive and positive health, which forms the fundamental cornerstone of the Health & Wellness Centres of Ayushman Bharat scheme.

Assam's Charaideo Maidams

❖ Context

- Recently, The Centre has decided to nominate **Assam's Charaideo Maidams** — for the UNESCO World Heritage Centre this year

❖ Key Highlights:

- It is the Ahom **equivalent of the ancient Egyptian pyramids**.
- It is **among 52 sites** across the country seeking the World Heritage Site tag.
- Charaideo, 400 km east of Guwahati**, was the first capital of the Ahom dynasty founded by Chao Lung Siu-Ka-Pha in 1253.
- There is currently **no World Heritage Site in the category of cultural heritage in the northeast**.

❖ Charaideo Maidams:

- Maidams represents the late medieval (13th-19th century CE) mound **burial tradition of the Tai Ahom community in Assam**.
- Out of 386 Maidams or Moidams explored so far, 90 royal burials at Charaideo are the best preserved, representative of and the most complete examples of mound burial tradition of the Ahoms.
- The Charaideo Maidams **enshrine the mortal remains of the members of the Ahom royalty**, who used to be buried with their paraphernalia.
- After the 18th century, the Ahom rulers adopted the Hindu method of cremation and began entombing the cremated bones and ashes in a Maidam at Charaideo.

International Energy Agency (IEA)

❖ Context

- Recently, the International Energy Agency (IEA) said that the lifting of COVID-19 restrictions in China is set to boost global oil demand this year to a new record high.

❖ Key Highlights:

- It is an **autonomous intergovernmental organization**.
- Established in the framework of the **Organization for Economic Co-operation and Development (OECD)** in **1974 in the wake of the 1973 oil crisis**.
- It mainly focuses on its **energy policies which include economic development, energy security and environmental protection**.
- IEA member countries are required to **maintain total oil stock levels**.

Hakku Patra

❖ Context

- Recently, Prime Minister Narendra of India distributed **Hakku Patra (land title deeds)** to **five Lambani (Banjara) tribes**, a nomadic Scheduled Caste group, during a launch programme in Karnataka.

❖ About Hakku Patra:

- The Hakku Patra is a property ownership document by which the bearer gets to own land.
- With the help of this document, the **bearer is eligible to purchase and sell land** to which the title deed is granted by the government.
- They will further **receive bank benefits** by means of the Hakku Patra.
- This Hakku Patra will secure the future of thousands of people living in the “Thandas” (Lambani habitats) in Kalaburagi, Bidar, Yadgiri, Raichur and Vijayapura districts.

❖ About Banjaras:

- The Banjara, also known as Lambadi, Gour Rajput, Labana, are a **historically nomadic trading caste** who may have origins in the Mewar region of what is now Rajasthan.
- In Karnataka the name is altered to **Banijagaru**.
- They are **multi-lingual**. Their mother tongue is 'Banjari'.

Project RE-HAB

❖ Context

- **KVIC distributed live Bee Colonies**, Bee-keeping equipment and 200 Bee-Boxes to the trained beneficiaries at, Karnataka under the RE-HAB Project.

❖ Project RE-HAB:

- **Under Project RE-HAB**, “Bee-fences” are created by setting up bee boxes in the passage ways of elephants to block their entrance to human habitats.
- The boxes are connected with a string so that when elephants attempt to pass through, a tug or pull causes the bees to swarm the elephant herds & dissuade them from moving further.
- **This is a cost-effective way** of reducing human-wild conflicts without causing any **harm to the animal**.
- **It is scientifically recorded** that elephants fear the bee swarms that can bite their sensitive inner side of the trunk and eyes.
- The collective buzz of the bees annoys elephants which forces them to return.

Summit for Democracy

❖ Context

- The Election Commission of India (ECI) will host a two-day international conference for election management officials with the focus on “use of technology and elections integrity.

❖ Key Highlights:

- The conference would be the second one the ECI is hosting **under the US-led Summit for Democracy platform**, in which the ECI has been selected to lead the cohort on elections integrity.
- The conference comes at a time when the ECI has proposed the use of **remote voting machines** to enable domestic migrants to vote.
- Two international organisations, the **International Foundation for Electoral Systems** and **International IDEA**, would also be participating in the conference.
- As part of the ‘Summit for Democracy’ Year of Action, **India through the ECI, is leading the ‘Democracy Cohort on Election Integrity’** to share its knowledge, technical expertise and experiences with other democracies of the world.
